RE: **Authorization to sign the Certificate of Acceptance and recordation of the Quitclaim Deed related to City-owned property identified as APN: 040-301-028-000**

INFORMATION:

This item requests Council to authorize the signing of a Certificate of Acceptance and recordation of the Quitclaim Deed. In the sale of the neighboring parcel indicates that they inadvertently included the City-owned APN 040-301-028-000 parcel in a deed to another third-person. This action is ministerial in nature and does not result in the acquisitions of new property or the expenditure of City Funds. The Quitclaim Deed is solely intended to correct the public record.

This is related to the parcel purchased by NNN who developed the Dollar General in Avenal. When they purchased said property, they intended to dispose of the property they did not need, the City in the transaction to allow them an easement through the City's drive approach, was able to adquire this property.

Failure to complete this action may result in continued title ambiguity, which could impact future transactions or City use of the property.

The City Attorney has reviewed the Certificate of Acceptance and Quitclaim Deed and recommends approval.

There is no fiscal impact associated with this action. Any recording or notary fees related to the correction process are being handled by the requesting party.

RECOMMENDATION:

Approve, by motion, to sign the Certificate of Acceptance and recordation of the Quitclaim Deed.

First, NNNDG21 LLC has executed a Correction Deed to the Burgess Trust, a copy of which is included as Attachment 3. As you can see, this Correction Deed states in relevant part "This deed corrects the Grant Deed recorded June 24, 2022 as Document No. 2212052, which incorrectly includes/describes APN 040-301-028. Said Grant Deed was intended to only include/describe APN 040-301-026."

Second, the Burgess Trust has executed a Quitclaim Deed to the City of Avenal, a copy of which is included as Attachment 4. As you can see, this is Quitclaim Deed conveys to the City of Avenal the Burgess Trust's interests, if any, to Parcel -028.

We attempted to record the Correction Deed and the Quitclaim Deed, but the Kings County Recorder's Office rejected the Quitclaim Deed because it was not accompanied by a Certificate of Acceptance. Accordingly, I am writing to request that your execute the Certificate of Acceptance included as Attachment 5, and then send me the original, notarized Certificate of Acceptance so we can record our two deeds and close our files on this issue.

For your convenience, I have included a pre-paid FedEx return envelope for you to return the original, notarized Certificate of Acceptance. In addition, I am to reimburse the City of Avenal for any notary or other fees or expenses incurred to process this request.

Of course, I am happy to answer any questions you might have. My direct dial is 916.231.4075.

Thank you in advance for your anticipated cooperation.

Very Truly Yours,

BOUTIN JONES INC.

Michael J. Kuzmich

DATE: **February 12, 2026**

RE: **Consider Approval of Patrol Vehicle Upfitting, Equipment Installation, Graphics, and Budget Modification**

INFORMATION:

The Avenal Police Department is requesting City Council approval to authorize the complete upfitting, equipping, and graphics installation of four patrol vehicles recently obtained from the Fresno Police Department, and to approve a corresponding budget modification under the Vehicles line item.

The Department is currently operating with a substandard number of patrol vehicles, which has created operational strain and reduced fleet flexibility. The acquisition of these used vehicles presents an opportunity to restore fleet capacity; however, the vehicles must be properly equipped before being placed into service.

The proposed scope of work includes full emergency vehicle upfitting, installation of lighting and control systems, radios and antennas, mobile data terminals (MDTs), programming, and the application of departmental graphics and minor detailing. Completing this work in a single, comprehensive project ensures the vehicles are fully compliant with applicable safety standards, operational requirements, and department policies from day one.

Based on vendor estimates, the total projected cost to upfit all four vehicles is **approximately $77,299.08**, with estimated costs itemized as follows:

- **Vehicle upfitting, lighting, controls, wiring, and installation (4 vehicles):** $39,377.87
- **Radios, docking stations, remote mounts, antennas, and programming (4 vehicles):** $12,697.57
- **Mobile Data Terminals – Dell rugged laptops (4 units):** $19,223.64
- **Graphics and minor detailing allowance ($1,500 per vehicle):** $6,000.00

Due to current market conditions and potential fluctuations in vendor pricing, particularly for mobile data terminals, staff is requesting authorization to proceed with procurement and installation provided total project costs remain within the approved budget.

Rather than proceeding in phases or piecemeal installations, staff recommends completing the full scope of work at once to ensure efficiency, consistency, and long-term reliability of the fleet.
To remain transparent and procedurally sound, staff is requesting City Council approval of a budget modification under the Vehicles line item **not to exceed $85,000.00** to fund this project.

City of Avenal
919 Skyline Blvd.
Avenal, CA 93204
Phone: (559) 386-5766

RECOMMENDATION:

Staff recommends that the City Council:

1. **Approve the complete upfitting, equipping, and graphics installation of four patrol vehicles obtained from the Fresno Police Department;**
2. **Approve a budget modification under the Vehicles line item in an amount not to exceed $85,000.00; and**
3. **Authorize the Chief of Police or designee to proceed with procurement and installation and to make adjustments as necessary should vendor pricing fluctuate, provided total expenditures remain within the approved budget.**

FISCAL IMPACT:

Police Department – The estimated cost of the patrol vehicle upfitting project is approximately $77,299.08, with City Council authorization not to exceed $85,000.00. Approval of the requested budget modification will allocate funds under the Vehicles line item to support this expenditure. This action will allow the Department to restore fleet capacity and maintain safe and effective operations.

BEFORE THE CITY COUNCIL OF THE CITY OF AVENAL

IN THE MATTER OF:
Approval of Patrol Vehicle Upfitting, Equipment Installation, Graphics, and Budget Modification.

RESOLUTION 2026-__

WHEREAS, the City of Avenal Police Department has obtained four used patrol vehicles from the Fresno Police Department to address fleet capacity and operational needs; and

WHEREAS, the City Council finds that the Police Department is currently operating with a substandard number of patrol vehicles, impacting public safety operations; and

WHEREAS, the patrol vehicles must be fully equipped, upfitted, and marked in order to be safely and effectively placed into service; and

WHEREAS, the proposed scope of work includes emergency lighting and controls, radios and antennas, mobile data terminals, programming, graphics, and related installation services; and

WHEREAS, the total estimated cost for the complete upfitting and equipping of the four patrol vehicles is $77,299.08, with potential cost variability driven primarily by mobile data terminal pricing and market conditions; and

WHEREAS, staff has recommended that the project be completed in its entirety to ensure compliance, safety, and operational readiness from day one; and

WHEREAS, a budget modification under the Vehicles line item is required to fund the project.

UPON MOTION OF COUNCIL MEMBER _____, SECONDED BY COUNCIL MEMBER _____, THE FOLLOWING WAS PASSED, APPROVED, AND ADOPTED BY THE CITY COUNCIL AT AN OFFICIAL MEETING HELD ON February 12, 2026, BY THE FOLLOWING VOTE:

NOW THEREFORE, BE IT RESOLVED THAT THE CITY COUNCIL:

1. Finds that the foregoing recitals are true and correct;

2. Approves the complete upfitting, equipping, and graphics installation of four patrol vehicles obtained from the Fresno Police Department;

3. Approves a budget modification under the Vehicles line item in an amount not to exceed $85,000.00 to fund the project;

4. Authorizes the City Manager, Director of Administrative Services, City Clerk, Chief of Police, and other appropriate City staff to take all actions necessary to implement this resolution and complete the patrol vehicle upfitting project.

Disclaimer:
This quote is for the named party only and not for distribution. It is a standard quote provided without prior coverage testing. Airwave Communications reserves the right to charge for time and effort in gathering this information if intended for RFP, RFQ, or similar purposes. We are not responsible for equipment failures due to testing, programming, or rebooting resulting from age, wear, tear, or factors beyond our control. Additional charges apply for delays that cause stand-by time during the job. Monitoring provides a snapshot of frequency noise at the time of testing and does not guarantee protection from future interference. Additional parts and work outside the Schedule of Work will be billed at time and material rates. The seller reserves the right to make design improvements to goods without notice. Airwave reserves the right to correct any errors in prices or quantities for products or services. All work is scheduled during regular business hours and requires uninterrupted site access. This proposal does not include ongoing monitoring, maintenance services, spare equipment, or third-party system integrations unless otherwise noted. Prevailing wage is assumed not required. Prevailing wage rates and certified payroll reporting are excluded unless explicitly included in the quoted scope. Delays in radio unit availability on programming day may result in extra charges.

Payment Terms:
Payment is due in full per the agreed net terms from the invoice date. For sales over ten thousand dollars, 30% is due at PO issuance, 30% upon receipt of equipment or parts at our facility, and the remaining balance upon delivery or pickup. Any changes to these terms must be made in writing. Invoices not paid within the agreed net terms will incur a charge of 0.833 percent per month (ten percent annually) after a 7-day grace period. Customers will be notified of late fees within ten business days. Payments apply first to late fees, then to principal. Late fee disputes must be submitted in writing within thirty days. Terms may change with thirty days notice. Invoices unpaid for over ninety days may be sent to collections, and customers will be responsible for all associated fees. These terms are governed by California law. A three-and-a-half percent service fee applies to credit card transactions.

Customer to Provide:
FCC frequency(s) and channel setting(s), 110 A/C power at the agreed equipment location, site access, shaded area, Wi-Fi access (if needed), clear radio placement instructions (dash/console/desktop/rack, etc.), conduit between rooms or roof, and a lift (if required). For outfitting, vehicle drop-off and pickup must be as scheduled. All personal belongings, weapons, gear, etc., must be removed before delivery. We are not responsible for items left in vehicles. Stand-by time, waiting for POC, vehicles, or delays will be charged at time and materials rates.

Return:
A Return Authorization (RA) number must be requested and issued before returning any products to Airwave Communication. Most products may be returned within thirty (30) days of shipment without a restocking fee if in original packaging and condition for resale. After thirty (30) days, a twenty percent (20%) restocking fee will apply, with a net account credit but no refund unless agreed upon in writing in advance. Credits or refunds for returns will not include prior shipping or service charges. Special or custom orders are non-refundable. Some parts may be substituted.

Cancellation:
Buyer may cancel an order only with the seller’s written consent, and the seller is entitled to reasonable cancellation charges, including but not limited to labor, material, and overhead expenses. The seller reserves the right to deduct cancellation charges from any advance payment received from the buyer.

Radio Repair:
The price includes parts and return shipping to the customer. The customer is responsible for shipping the radios to Airwave's facility. If a radio is deemed unrepairable, it can either be returned to the customer or recycled by Airwave for a $65.00 fee, plus shipping and handling (based on actual cost). Any unclaimed units after 90 days will be recycled. This fee can be waived if a new radio unit is purchased as a replacement. A $65.00 diagnostic fee will apply if the in-house repair rate is not approved by the customer. There is a 90-day warranty on labor. Both original and aftermarket parts may be used. A $25 shipping and handling fee applies to radios under manufacturer warranty. This rate does not cover liquid or physical damage, engraving, licensing, or accessories (batteries, antennas, mics, etc.). Programming is an additional fee if required. Prices are subject to change without notice.

Rentals:
A minimum 3-day rental charge applies. The quoted equipment is for general use. Specific building layouts, vehicle designs, or topological conditions may require additional equipment. FCC itinerant channels are shared commercial frequencies; Airwave does not guarantee service continuity or protection from interference. Prices and promotions are subject to expiration; please consult your Airwave representative for details. Additional taxes, fees, and other charges may apply. Rental equipment reservations require a 30-day advance notice. The customer is solely responsible for the equipment. Service repairs or alterations to rental equipment are prohibited without prior written authorization from Airwave. The customer will be charged the full retail price for any lost, stolen, or damaged equipment. Additional charges apply for usage beyond the agreed rental period.

Basic Service Agreements:
Includes: Repairs for failures due to normal wear, one annual preventative service check per unit, software/firmware upgrades, discounts on loaner radios, and services during normal business hours. Excludes: Tax, shipping & handling, pickup or delivery, batteries, antennas, accessories, and damage due to physical or liquid causes. For more details, please refer to the terms and conditions or contact your Airwave representative.

Data Privacy:
Airwave Communication will not share your personal data with any third party, except as necessary to provide and maintain services under these Terms and Conditions.

Important Pricing & Supply Chain Notice:
Recent changes in U.S. trade policy—including the implementation of new tariffs on select foreign imports—have impacted the cost structure of components used across our product portfolio. Combined with ongoing volatility in the national supply chain, customers may experience extended lead times and price fluctuations for certain products and services. Airwave can only guarantee pricing for 30 days from the date the quote is issued. After 30 days, a new quote must be provided to reflect any manufacturer cost adjustments. For the most up-to-date pricing and availability, please consult your Airwave representative.

Modifications or Additions to Terms and Conditions:
No modifications, additions, or waivers of any of these terms and conditions shall be binding unless provided in writing and agreed upon by the Seller.

Disclaimer:
This quote is for the named party only and not for distribution. It is a standard quote provided without prior coverage testing. Airwave Communications reserves the right to charge for time and effort in gathering this information if intended for RFP, RFQ, or similar purposes. We are not responsible for equipment failures due to testing, programming, or rebooting resulting from age, wear, tear, or factors beyond our control. Additional charges apply for delays that cause stand-by time during the job. Monitoring provides a snapshot of frequency noise at the time of testing and does not guarantee protection from future interference. Additional parts and work outside the Schedule of Work will be billed at time and material rates. The seller reserves the right to make design improvements to goods without notice. Airwave reserves the right to correct any errors in prices or quantities for products or services. All work is scheduled during regular business hours and requires uninterrupted site access. This proposal does not include ongoing monitoring, maintenance services, spare equipment, or third-party system integrations unless otherwise noted. Prevailing wage is assumed not required. Prevailing wage rates and certified payroll reporting are excluded unless explicitly included in the quoted scope. Delays in radio unit availability on programming day may result in extra charges.

Payment Terms:
Payment is due in full per the agreed net terms from the invoice date. For sales over ten thousand dollars, 30% is due at PO issuance, 30% upon receipt of equipment or parts at our facility, and the remaining balance upon delivery or pickup. Any changes to these terms must be made in writing. Invoices not paid within the agreed net terms will incur a charge of 0.833 percent per month (ten percent annually) after a 7-day grace period. Customers will be notified of late fees within ten business days. Payments apply first to late fees, then to principal. Late fee disputes must be submitted in writing within thirty days. Terms may change with thirty days notice. Invoices unpaid for over ninety days may be sent to collections, and customers will be responsible for all associated fees. These terms are governed by California law. A three-and-a-half percent service fee applies to credit card transactions.

Customer to Provide:
FCC frequency(s) and channel setting(s), 110 A/C power at the agreed equipment location, site access, shaded area, Wi-Fi access (if needed), clear radio placement instructions (dash/console/desktop/rack, etc.), conduit between rooms or roof, and a lift (if required). For outfitting, vehicle drop-off and pickup must be as scheduled. All personal belongings, weapons, gear, etc., must be removed before delivery. We are not responsible for items left in vehicles. Stand-by time, waiting for POC, vehicles, or delays will be charged at time and materials rates.

Return:
A Return Authorization (RA) number must be requested and issued before returning any products to Airwave Communication. Most products may be returned within thirty (30) days of shipment without a restocking fee if in original packaging and condition for resale. After thirty (30) days, a twenty percent (20%) restocking fee will apply, with a net account credit but no refund unless agreed upon in writing in advance. Credits or refunds for returns will not include prior shipping or service charges. Special or custom orders are non-refundable. Some parts may be substituted.

Cancellation:
Buyer may cancel an order only with the seller’s written consent, and the seller is entitled to reasonable cancellation charges, including but not limited to labor, material, and overhead expenses. The seller reserves the right to deduct cancellation charges from any advance payment received from the buyer.

Radio Repair:
The price includes parts and return shipping to the customer. The customer is responsible for shipping the radios to Airwave's facility. If a radio is deemed unrepairable, it can either be returned to the customer or recycled by Airwave for a $65.00 fee, plus shipping and handling (based on actual cost). Any unclaimed units after 90 days will be recycled. This fee can be waived if a new radio unit is purchased as a replacement. A $65.00 diagnostic fee will apply if the in-house repair rate is not approved by the customer. There is a 90-day warranty on labor. Both original and aftermarket parts may be used. A $25 shipping and handling fee applies to radios under manufacturer warranty. This rate does not cover liquid or physical damage, engraving, licensing, or accessories (batteries, antennas, mics, etc.). Programming is an additional fee if required. Prices are subject to change without notice.

Rentals:
A minimum 3-day rental charge applies. The quoted equipment is for general use. Specific building layouts, vehicle designs, or topological conditions may require additional equipment. FCC itinerant channels are shared commercial frequencies; Airwave does not guarantee service continuity or protection from interference. Prices and promotions are subject to expiration; please consult your Airwave representative for details. Additional taxes, fees, and other charges may apply. Rental equipment reservations require a 30-day advance notice. The customer is solely responsible for the equipment. Service repairs or alterations to rental equipment are prohibited without prior written authorization from Airwave. The customer will be charged the full retail price for any lost, stolen, or damaged equipment. Additional charges apply for usage beyond the agreed rental period.

Basic Service Agreements:
Includes: Repairs for failures due to normal wear, one annual preventative service check per unit, software/firmware upgrades, discounts on loaner radios, and services during normal business hours. Excludes: Tax, shipping & handling, pickup or delivery, batteries, antennas, accessories, and damage due to physical or liquid causes. For more details, please refer to the terms and conditions or contact your Airwave representative.

Data Privacy:
Airwave Communication will not share your personal data with any third party, except as necessary to provide and maintain services under these Terms and Conditions.

Important Pricing & Supply Chain Notice:
Recent changes in U.S. trade policy—including the implementation of new tariffs on select foreign imports—have impacted the cost structure of components used across our product portfolio. Combined with ongoing volatility in the national supply chain, customers may experience extended lead times and price fluctuations for certain products and services. Airwave can only guarantee pricing for 30 days from the date the quote is issued. After 30 days, a new quote must be provided to reflect any manufacturer cost adjustments. For the most up-to-date pricing and availability, please consult your Airwave representative.

Modifications or Additions to Terms and Conditions:
No modifications, additions, or waivers of any of these terms and conditions shall be binding unless provided in writing and agreed upon by the Seller.

CITY OF AVENAL
"Pistachio Capital of the World®"
SPECIAL CITY COUNCIL MEETING
January 21, 2026 , 12:00 P.M.
AVENAL THEATER & EVENT CENTER, 233 E. KINGS ST., AVENAL, CA

MINUTES

CALL TO ORDER & PLEDGE OF ALLEGIANCE: by Mayor Preciado at 12:16 P.M.

ROLL CALL: Councilman David Reynosa, Ricardo Verdugo, Pablo Hernandez, Mayor Pro Tem Gamez, Mayor Alvaro Preciado.

ABSENT: None.

STAFF: Price, Curiel, Ortiz, Bermudez, López.

LEGAL COUNSEL: Moses Diaz (via Zoom).

CITY CLERK:
Government Code Section 54952.3: The members of the City Council/Successor Agency are entitled to receive a total of $450.00 per month because of being elected to the City Council. They receive no other compensation for sitting as a member of Successor Agency.

Council Member/Successor Agency Member Preciado motioned to move Closed Session before New Business. The motion was seconded by Council Member/Successor Agency Member Gamez and motion carried.

ROLL CALL VOTE:
AYES: Preciado, Gamez, Reynosa, Hernandez.
NOES: Verdugo.
ABSENT: None.
ABSTAIN: None

PUBLIC COMMENT/ANNOUNCEMENTS & UNSCHEDULED APPEARANCES:

This time is reserved for members of the audience to address the City Council on items of interest that are both on the Agenda or not on the Agenda, and are within the subject matter jurisdiction of the City Council/Successor Agency. State Law prohibits any member of the Council from commenting or acting on matters not on the agenda. The Council asks that you keep your comments concise and respectful. Criticism, concerns, or support are welcome, provided they are expressed with appropriate courtesy. Each speaker will be allowed three minutes. A timer will notify you when your time is expired. Please begin your comments by stating your name and place of residence.

Dalilah Barajas, Avenal resident, addressed ongoing concerns regarding alleged Brown Act violations. She referenced the District Attorney's lawsuit and stated there was an additional violation at the January 8 meeting involving Kings County Registrar of Voters Lupe Villa. She alleged that during Mr. Villa's public comment, City Council interrupted his time with combative questions, placing a member of the public in a vulnerable position and undermining the purpose of public comment. She asked City Council whether they are prepared in the event the civil lawsuit becomes a criminal matter.

Ginger Wallis, Avenal resident, raised concerns regarding a social media post made by Mayor Preciado on Facebook, stating that family members of Kings County Fire were involved in the recall. Wallis stated that this claim is false.

Maria "Angie" Ortiz, City Clerk, read a declaration statement into the record regarding recall election matters, in an effort to correct a previously signed declaration. Legal Counsel Moses asked the City Clerk to confirm that he did not ask her to prepare the declaration, which she confirmed. He also asked whether anyone else urged her to prepare it; she responded no. Legal Counsel then asked if she was aware of any ordinance authorizing the County to conduct election-related activities on behalf of the City. The City Clerk stated that such matters are typically approved by City Council through a resolution but alleged that all Kings County City Clerks were in agreement that the County would handle election-related matters for consistency purposes. Legal Counsel asked who made the agreement, and the City Clerk stated it was a verbal agreement among City Clerks. When asked if she was included, she responded yes. Legal Counsel asked when the agreement occurred; the City Clerk stated it was in 2024 but was unsure of the month. When asked if the agreement occurred during a sit-down meeting, she responded no and reiterated it was verbal. Legal Counsel asked whether the agreement was ever brought back to City Council for approval or ratification. The City Clerk responded that former City Manager Melissa Whitten was aware of the agreement and that there was consensus at that time. Legal Counsel requested clarification on the date, noting Melissa was not with the City in 2024. The City Clerk then corrected herself, stating it was not in 2024 and acknowledged that she did not bring the discussion to current City Manager Antony López. City Manager López stated he was aware of the discussion but was not part of the meeting and is not aware of any written agreement. Legal Counsel asked the City Clerk if she personally made the agreement, and she reiterated that all City Clerks were in consensus that the County would handle election matters for consistency purposes. Legal Counsel asked whether the agreement was ever formalized, to which the City Clerk responded no. When asked who was present, she stated all Kings County City Clerks were present but could not recall specific names. Legal Counsel asked whether a confirming letter was ever sent; the City Clerk could not recall. Legal Counsel stated that it appeared to be an informal consensus that was never brought before a governing body. The City Clerk stated that Mr. Villa was present at the meeting. Legal Counsel asked whether Mr. Villa ever sent a confirming letter; the City Clerk responded no but stated they proceeded under that understanding for the November 5, 2025 election. Legal Counsel asked whether there were additional terms or a sunset date for the agreement. The City Clerk stated there was no timeline.

Teresa Piere, Avenal resident, stated that she spoke with the City's Legal Counsel at the prior meeting and asked who he worked for. She stated that Legal Counsel said he takes direction from the majority of the Council and that it now appears the City is initiating lawsuits against County officials. She questioned why procedures were followed a certain way initially and why the City is now claiming those procedures were incorrect. She also stated that City Manager López is using City Council for his own personal gain.

Public comment was closed by Mayor Preciado and City Council went into Closed Session at 12:38 P.M.

Arcelia Celis *– Volunteerism at Food Distributions*

City Manager Antony López presented certificates of appreciation to Avenal residents who volunteered with the Senior Nutrition Program and Food Distribution events.

Antony V. López, City Manager, read a statement into the record clarifying the City's recall process, as there has been confusion regarding the matter.

Frank Lopez, Avenal resident, shared information regarding a Rotary meeting for the planning of the Old Timers Day event. He discussed possible activities for the event, including a Huapango competition. He stated that the next Rotary meeting will be held on February 3 at 5:45 p.m. at the Museum and invited the community to attend. He also shared that they are seeking volunteers to assist with an arts corner for an upcoming car show event to be held at the new Community Center.

Elizabeth Perez, Avenal resident, stated that if City Council truly believes the community was misled into signing the recall petition, there should be no fear in allowing the recall process to continue. She requested that a date be set for the recall election and expressed trust in the voters of Avenal.

Arnulfo Trejo, Huron resident, along with volunteer Rosa Moreno, presented Certificates of Recognition to City Manager Antony López and Mayor Preciado for their donations toward a Christmas event.

Robert Campos, Avenal resident and business owner, shared a complaint regarding a sewer issue claim, stating he has been waiting for a response for two years. City Manager Antony López stated he would work on processing the claim.

David Reynosa, Avenal resident and City Councilmember, shared ideas on reimagining Kings Street and forming a committee for the effort. City Manager Antony López provided additional information on the concept and shared a flyer inviting community members to join the committee.

Dalilah Barajas, Avenal resident, stated she appreciated the acknowledgment in City Manager López's statement regarding the recall process. She agreed with another audience member that City Council should allow the recall election to proceed. She also stated that while the reimagining Kings Street committee is a good idea, the City should be more inclusive of community members.

RE: **Consider Approving the Amended January 8th, 2026 Meeting Minutes**

INFORMATION:

The January 8th, 2026 City Council meeting minutes are being amended due to a minor typographical error identified after approval. Specifically, Council Member Reynosa was inadvertently listed twice on the consent calendar section roll call from the January 8th meeting. No actions or outcomes of the meeting are affected by this correction. The amended minutes are being resubmitted for City Council re-approval to accurately reflect the official record.

RECOMMENDATION:

Approve the amended January 8th, 2026 City Council meeting minutes to correct a minor typographical error in the consent calendar section roll call, reflecting Council Member Reynosa listed twice, and reaffirm the minutes as the official record of the meeting.

New Staff Introductions: ***Samuel Montes*** *&* ***José Soto****, PW Landscaper;* ***Samantha Brigham****, Part-Time Kennel Technician;* ***Esmeralda López****, Part-Time Custodian;* ***Anthony Guerra*** *&* ***Mariano Sanchez,*** *Police Officer I*

Antony López, City Manager, provided a brief recap of the *Santa on Patrol* event and distributed Certificates of Appreciation to those who participated. Scott Davis, Public Works Director, introduced new staff members in the Public Works and Animal Control Departments. Chief Velasco introduced new Officer Guerra and returning Officer Sanchez.

Public Comments:
Dalilah Barajas, Avenal resident, questioned whether Council Members truly love the City and if they believe their actions are in the best interest of Avenal. She stated that the City Manager's contract amendment represents reckless governance, and that the Council should instead be discussing his immediate termination, as she believes he has caused harm to the City. She further stated that the initiation of the recall effort resulted from negative actions by the City. Ms. Barajas urged the Council to protect the City, be transparent, and take action during the meeting to demonstrate good faith and commitment to the City's best interests.

Lupe Villa, Kings County Registrar of Voters, presented Certificates of Sufficiency for recall petitions. He stated that the City has 14 days to call an election and that, if the City fails to do so, the County will call an election. Moses Diaz, Legal Counsel, requested clarification regarding whether Mr. Villa has an agreement with the City or the City Clerk to provide election services for the City. Mr. Villa stated that no such agreement exists. He explained that he was present on behalf of the individuals who requested the recall election and that he is following the required procedures. Mr. Villa stated that he believes his authority is based on a prior election resolution submitted when the current Council Members were elected. Mr. Diaz also confirmed that the City Clerk, Maria Angie Ortiz, did not authorize the County to conduct any election services, as previously confirmed via email. The City Clerk and Mr. Villa both confirmed this information verbally to Mr. Diaz. Mr. Villa also confirmed that the recall petitions were submitted to the Kings County Registrar of Voters' office and not to the City Clerk, who is the City's designated elections official. Mr. Villa stated that he is acting solely in his capacity as the Kings County Registrar of Voters.

Alex Walker, Kings County representative, read a letter submitted for the record by Kyria Martinez, Kings County Chief Administrative Officer, expressing concerns regarding the language included in the City's fire resolution on the agenda. City Manager Antony López thanked Mr. Walker for sharing the corrected figures related to the fire contract.

John Chamberlain, Kings County Fire Chief, expressed frustration with the language included in the fire resolution on the agenda, stating that it is degrading. He read a portion of the resolution and stated that it is inaccurate. He noted that the City has never reached out to him with inquiries, despite his continued availability. He also expressed concern regarding the consultant's report, specifically noting that certain fire trucks were being incorrectly classified. Additionally, he referenced a 2021 letter in which the City Mayor and City Manager stated that the City had benefited from a subsidy from the County and expressed a desire to eventually fully fund fire services, and he questioned what had changed since that time.

Frank Lopez, Avenal resident, thanked the City for allowing him to serve as Santa during the *Santa on Patrol* event and congratulated Council Members on their contributions over the past year. He commented that recent Facebook Page Avenal Press news articles appear to be AI-generated and portray the City negatively. He stated that the recent Brown Act violation constitutes a civil lawsuit and a "fix-it ticket" issue for the City, noting that no criminal charges would result. He also shared that Judge George Orndoff had passed away, stating that his passing is a significant loss for the City.

Alex Walker, Kings County representative, expressed appreciation for the opportunity to clarify information and stated that the County is willing to provide information regarding fire services costs to anyone with questions.

Mayor Preciado called for a moment of silence in honor of the passing of Judge George Orndoff and Renee Nicole Good of Minnesota.

Council Member Verdugo motioned to move Closed Session to the end of the meeting; the motion failed due to lack of a second.

Mayor Preciado closed Public Comment at 6:09 p.m. and recessed the meeting into Closed Session.

CLOSED SESSION: (City/Successor Agency):

A. Personnel (Government Code §54957(b)).
Consider Public Employee Performance Evaluation for the Position of: *City Manager*

B. PENDING LITIGATION (Government Code § 54956.9). Significant exposure to litigation (Government Code § 54956.9(d)(2)). Number of potential cases is: 1.

Facts and circumstances clearly known to potential plaintiff (if any) that might result in litigation (Government Code § 54956.9(e)(2)):

a. Case 2, Government Claim received by Sheila Verdugo.

C. INITIATE LITIGATION (Government Code § 54956.9(d)(4)).

Conference with legal counsel - ANTICIPATED LITIGATION (Government Code § 54956.9(d)(4)).

Initiation of Litigation (Paragraph (4) of subdivision (d) of Gov. Code § 54956.9)).

Number of potential cases is: __1__.

City Council returned from Closed Session at 7:03 P.M. with nothing to report.

CONSENT CALENDAR:

All items listed under the consent calendar are routine or for approval only and are enacted by one motion: (Action).

A. Consider City of Avenal/Successor Agency's Approval of Minutes for November 13, 2025, Regular Meeting, & December 1, Special Meeting.

B. Ratify Prior Approval of Consider Purchase and Upfit a 2026 Ford Police Interceptor Utility under the Byrne State Crisis Intervention Program (SCIP) Grant (Discussion/Action).

AYES: Reynosa, Hernandez, Verdugo.
NOES: None
ABSENT: Mayor Pro Tem Gamez.
ABSTAIN: None.

MAYOR & COUNCIL MEMBER/ SUCCESSOR AGENCY/ ITEMS FOR CONSIDERATION:

A. Special Presentation by Kings County Election Department, Registrar of Voters: Lupe Villa. (Discussion/Action).

City Manager Antony López presented the report as submitted and stated that there are still several legal concerns that will be addressed at a later time. Mayor Preciado added, for the record, details regarding the purpose of the previously canceled Council meeting. Council Member Verdugo clarified that he had informed City Manager López that he would attend the meeting regardless. Screenshots of text messages from the day of the canceled Council meeting were shared. Councilmember Verdugo stated that Notice of Adjournment should not have been signed at all as he was present. Legal Counsel, Moses Diaz, shared that the meeting being adjourned or cancelled would have no legal significance.

B. Investments 101 Presentation and Consider Possible Approval for Agreement for Investment Advisory Services with Optimized Investment Partners, LLC(Discussion/Action).

Brian Arellano, Finance Director, provided a brief introduction to Optimized Investment Partners' (OIP) services. City Manager Antony López recommended tabling the item to allow Legal Counsel additional time to review the agreement. Mayor Preciado added comments regarding the City's current investments with LAIF. Mr. Arellano stated that the estimated current investment amount is approximately $3.9 million. City Manager López noted that staff is still searching for the original investment amount.

Brittany Tran, OIP Marketing Director, presented the report as submitted. Mayor Preciado inquired about professional services fees. Ms. Tran stated that the fee for the City of Avenal would be $950 per month and includes unlimited online Council meeting participation. City Manager López stated that staff recommends further exploration of OIP's services. Mayor Preciado indicated that a future study session will be held on this item.

ACTIVITY REPORTS/SPECIAL PRESENTATIONS & COMMITTEE REPORTS:

A. Activity Reports:

1. Police Department Activity Report: Cecilio Velasco, Chief of Police.

Chief Velasco presented the report as submitted. Council Member Verdugo inquired about the Zoom bombing investigation. Chief Velasco stated that similar incidents occurred outside of Avenal and that the case would be forwarded to federal partners. Mayor Preciado commented on the reduction in arrests and commended the department on the decrease in traffic collisions. Chief Velasco explained that increased traffic citations often correlate with reduced collisions and stated that the department will have opportunities to educate the community regarding DUI-related issues.

Council Member Reynosa raised concerns regarding high volumes of semi-truck traffic entering the landfill. Chief Velasco stated that the department is issuing citations during periods of heavy traffic and encouraged residents to report incidents to dispatch. Council Member Reynosa suggested utilizing social media to encourage the public to report semi-trucks parked along Highway 269.

2. Public Works/Code Enforcement/Animal Control Departments Activity Report: Scott Davis, Public Works Director.

Scott Davis, Public Works Director, presented report as submitted.

a. City Engineer's Activity Report: Javier Andrade –A&M Consulting Engineers

Javier Andrade, City Engineer, presented report as submitted.

3. IT Department Activity Report: Humberto Bermudez, IT Director.

Humberto Bermudez presented the report as submitted. Mayor Preciado inquired about internet availability at the Community Center. Mr. Bermudez stated that separate trenching for fiber lines has been completed and that public internet access will be available. City Engineer Javier Andrade stated that completion is anticipated in February.

4. Community Development Activity Report: Joshua McDonnell, Contract City Planner, 4Creeks.

Teslla Ramirez, 4Creeks Consultant, presented the report as submitted. Mayor Preciado inquired about the difference between an ADU and a JADU. Ms. Ramirez clarified that an ADU is detached from the primary residence, while a JADU is located within the home.

5. Economic Development & Grant Writing Report: Emily Engelsgaard, Grants Manager, the CrisCom Company.

Renee Missakian, Chief Operating Officer and Executive Vice President of The CrisCom Company, presented the report as submitted. Mayor Preciado inquired about a potential KFC franchise relocating from Coalinga. Ms. Missakian stated that the specific franchisee is not currently seeking to open a new location but that staff will continue to pursue other opportunities.

6. Avenal Fire Department Development Update & Quarterly Fire Report: Ruben Veliz, Fire Consultant.

Ruben Veliz presented the report as submitted. City Engineer Javier Andrade added that updates regarding vehicle and equipment storage will be provided soon. Scott Davis, Public Works Director, stated that all fire vehicles are registered and street-legal.

City Manager Antony López also presented a quarterly summary of Fire Department expenditures from October 9, 2025, through December 31, 2025. Mayor Preciado stated that the fire trucks acquired by the City are operating well with no mechanical issues. He expressed optimism that the Avenal Fire Department will be as successful as the Police Department in securing grant funding and noted that a future volunteer program for Avenal residents may be developed.

PUBLIC HEARING(s):

Joint Hearing of the City of Avenal Successor Agency RDA Trust Obligations Fund/Public Finance Authority:

C. Consider Approval of City Manager Employment Agreement, Amendment #2.

Griselda Price, Director of Administrative Services, presented the report as submitted. Mayor Preciado clarified that the City Manager's new salary had already been negotiated and that the current item relates only to the length of the contract term. Council Member Verdugo stated that changes to the termination clause were added without full Council deliberation and that he had not been given sufficient time to review the amendments. Council Member Verdugo asked Legal Counsel about the potential budgetary implications if the termination clause were triggered. Legal Counsel Moses Diaz stated that there are multiple types of termination. He explained that a termination "without cause" would trigger severance pay, which is capped by statute at 18 months. Mayor Preciado stated that his primary concern is City stability and that he wants a City Manager who is available to provide daily services and lives in Avenal. He requested that Legal Counsel share information regarding a prior discussion about the City Manager's contract, clarifying that the discussion focused solely on City stability and was not a private conversation between himself and City Manager Antony López. By majority vote, the Council waived attorney-client privilege regarding that discussion.
Legal Counsel Moses Diaz confirmed the substance of the conversation. Griselda Price stated that the severance package consists of one year of salary plus an additional six months. Council Member Verdugo stated that the City Manager was "cushioning his pocket." City Manager Antony López asked what the specific concerns were regarding the termination clause and whether there was a plan for his termination. Council Member Verdugo responded that there was no such plan and stated that the amendments were not related to City stability. City Manager López referenced their prior service together on a school board and noted a similar employment agreement with the Superintendent, questioning his opposition to the contract clauses. City Manager López further referenced a series of incidents in which closed session information was allegedly disclosed publicly. He stated that during County negotiations, the County appeared to have prior knowledge of the City's position. He also presented a screenshot of a Facebook comment made by Council Member Verdugo's spouse, Sheila Verdugo, which referenced what he described as closed session City business. City Manager López also cited internal personnel incidents from actions and conduct by Councilman Verdugo that he claims have created a hostile work environment for City Employees and himself. City Manager López recommended that the Council review these matters seriously and stated that he would also initiate an internal investigation. Mayor Preciado shared additional examples of what he described as negative conduct by Council Member Verdugo. Legal Counsel Moses Diaz advised that these matters should be agendized and discussed at a future meeting.

Council Member / Successor Agency Member Verdugo motioned to waive attorney-client privilege regarding the City Manager contract discussion with Mayor Preciado. The motion was seconded by Council Member / Successor Agency Member Reynosa, and the motion carried.

City Clerk Maria Ortiz introduced an email from Avenal resident Veronica Aguirre for the record during Public Comment. City Manager Antony López stated that staff is planning a soft opening of the Community Center in the near future and noted that several upcoming projects are underway. Council Member Verdugo stated that there should be a way to reinstate a Zoom link to allow residents to participate in meetings remotely. He also stated that the adjournment form should not have been signed, as he was present at the previously canceled City Council meeting. Council Member Hernandez invited the community to attend upcoming City events. Mayor Preciado stated that he has been representing the City at meetings with state leaders, including Senator Hurtado. He also shared observations regarding services at Avenal State Prison. Mayor Preciado noted that he has several upcoming meetings scheduled, including a meeting in Sacramento with Senator Hurtado and Assemblywoman Macedo, as well as a meeting in Fresno regarding water-related matters.

RE: **Consider Approving Offering a Discount for Utility Customers who Participate in 2026 Community Climate Survey.**

INFORMATION:

Last year, the City conducted a citywide Community Climate Survey over the course of approximately one month, which resulted in over 850 completed survey responses. The process generated a high level of participation and produced detailed, actionable feedback regarding customer satisfaction, service delivery, and areas for improvement—particularly related to the City's utility services.

Staff believes that the one-time utility bill discount offered in 2025 was a key factor in driving participation, significantly increasing response rates and helping ensure the survey reflected a broad cross-section of the community. The incentive helped reach residents who may not otherwise participate in surveys, strengthening the reliability and usefulness of the data collected.

Based on the success of last year's effort, staff recommends conducting the survey again in 2026 using a similar approach, including offering a one-time $10 utility bill discount to encourage participation. Repeating this process will allow the City to track trends over time, measure improvements, and continue making informed, data-driven decisions regarding the water enterprise system and overall customer service. We would hope to apply the discount in the May/June utility bill.

FISCAL IMPACT:

There are approximately 2,000 residential utility customers in the City of Avenal. Staff hopes to again achieve at least a 40% response rate, meaning around 800 customers would participate. This would result in an estimated fiscal impact of $8,000, which will be absorbed by the Water Enterprise Fund. Given the survey's direct connection to customer satisfaction with water services, it is appropriate for this discount to be funded through the water enterprise account.

RECOMMENDATION:

Staff recommends that the City Council approve the offering of a one-time $10 utility bill discount for residential customers who participate in the 2026 Community Climate Survey and authorize the City Manager to implement the program.

STAFF REPORT

AGENDA ITEM: **The City Council of the City Of Avenal accepting the construction of the Solar Photovoltaic Project at the WWTF and authorizing the City Manager to file a Notice Of Completion with the Kings County Recorder's Office**

MEETING DATE: **February 12, 2026**

PREPARED BY: **Alfonso Manrique, AM Consulting Engineers**

RECOMMENDATION:

Staff recommends that the City Council authorize the City Manager to file and record a Notice of Completion with Kings County for the Solar Photovoltaic System Project at WWTF.

DISCUSSION:

The Solar Photovoltaic System Project consists of installing a solar power system at the City of Avenal's Wastewater Treatment Facility to decrease the electricity costs and maximize City resources.

The installation of the Project's scope of work has been completed per the plans and technical specifications prepared for the project, with modifications made through change orders. AM Consulting Engineers, Inc. attended a final walkthrough of the project site to verify that the project had been adequately completed.

Based on the findings during the final walkthrough, the Solar Photovoltaic System Project can be accepted and deemed complete.

FISCAL IMPACT:

There is no Fiscal Impact associated with filing the Notice of Completion.

ATTACHMENTS:

DIGNITY ACT OF 2025 (H.R. 4393)

Congresswoman Maria Salazar (R-FL) and Congresswoman Veronica Escobar (D-TX) have introduced an immigration bill called the Dignity Act (H.R. 4393). It has been nearly 40 years since we have addressed unauthorized workers in many industries in our nation. This affects not only agricultural employees, but many others including those working in restaurants, construction, hotels, and other industries.

1. Apply in the United States for the Dignity Card here (do not have to leave). Removing the fear factor in the community. Includes all industries, individual businesses, and families.

2. Apply for a work authorization card (Dignity Card) which is a 7 year renewable card. Family members will also receive a card and protective status. At this time, the Dignity Act card will not be eligible for citizenship.

3. Upon receiving the Dignity Card, you will be able to travel outside of the United States of America.

4. Paying a restitution fee for being here undocumented (a reasonable penalty fee). Currently, the proposed fee is $1000 per year for seven years and it ends. In addition, there will be a 1% levy on gross income per year. This is not amnesty.

5. Dignity Act beneficiaries will continue to sustain our workforce in the United States of America, at the same time working on a sensible guest worker program.

DIGNITY ACT OF 2025 (H.R. 4393)

Congresswoman Maria Salazar (R-FL) and Congresswoman Veronica Escobar (D-TX) have introduced an immigration bill called the Dignity Act (H.R. 4393). It has been nearly 40 years since we have addressed unauthorized workers in many industries in our nation. This affects not only agricultural employees, but many others including those working in restaurants, construction, hotels, and other industries.

6. Dreamers will have the opportunity to adjust to permanent residency. Under the Dignity Act, the Dream Act would grant DACA recipients' permanent legal status upon fulfilling certain requirements in a streamlined process.

7. The individuals will be able to purchase health care, for them and their families. That is part of the requirement.

8. After 3 years, all employers must transition to the E-Verify System. No exceptions.

9. Secures the U.S. Borders, Criminal Enforcement Removal, and Asylum Reform are to name a few aspects of the bill.

Dignity Act Summary (H.R. 4393)

Dignity for the working families

Division A – Border Security for America

As written, the Dignity Act of 2025 would provide additional funding for border security and ports of entry infrastructure. Mandatory E-Verify would also apply to all employers in the U.S. This would take place in a gradual phase in process.

The agricultural industry would have up to 30 months before implementing E-Verify, upon the enactment of the bill.

Asylum reform has been addressed under Title V of Division A.

Division B – Dignity and American Dream

Under the Dignity Act, the Dream Act would grant DACA recipients' permanent legal status upon fulfilling certain requirements in a streamlined process. DACA recipients had to be present in the country prior to June 15, 2007 and be under the age of 16. In addition, they had to be present in 2012 when the Executive Order was signed and be going to school.

Dreamers who entered the U.S. prior to January 1, 2021 and were 18 years of age or younger and have been continuously physically present may apply to a conditional permanent legal status.

Unauthorized workers may apply for the Dignity Card upon completing a biometric and biographic report along with an application. Individuals would apply here in the U.S. and do not have to leave the country. Costs for the program are as follows.

Restitution Payment:	$7,000 for 7 years, one-time fee ($1,000 per year, per person)
1 Percent Levy:	1 percent of gross wages income every year, per person (Still being discussed)
Social Security:	Not paid by the employee, just the employer
Application Fee:	Biometrics, biographics, medical ($1,000+-)

In addition to these fees, Dignity Act beneficiaries would be required to purchase health insurance and remain working in the industries for at least four years.

The Dignity Program would grant unauthorized individuals work authorization and the ability to travel abroad for seven years. Individuals must have been here in the U.S. prior to

2020 and have been working for five years. After seven years these workers can renew for another seven years as well as petition for other legal status.

Dignity Act card holders would not be eligible for citizenship at this time and federal benefits. (Still being discussed)

The Dignity Act must also address retired workers and those getting ready to retire. These workers have paid into Social Security for more than 30 years (for example) as well as the employers have contributed. Those people deserve some type of benefit, as well as how do they fit into the program.

Division C – American Prosperity and Competitiveness

The Dignity Act of 2025 would also address immigration backlogs as well as reform employment based visas and student visas.

We will work on developing a guest worker visa program for industries such as agriculture, construction, manufacturing, hotels, restaurants to name a few. This guest worker program must operate effectively and be cost effective. Secondly is that this is going to be strictly a guest worker program that will not allow anyone to proceed to legal status. This will require that businesses are involved in developing this guest worker visa along with Congress.

We are discussing safeguards throughout various parts of the program against bad behavior by groups or individuals.

IN THE MATTER OF:
A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF AVENAL, EXPRESSING SUPPORT FOR THE DIGNIDAD (DIGNITY) ACT, H.R. 4393

RESOLUTION 2026-____

WHEREAS, the City of Avenal is a diverse and predominantly immigrant community whose residents contribute significantly to the local economy, agricultural industry, workforce, and civic life; and

WHEREAS, the federal immigration system is widely recognized as outdated and in need of comprehensive reform that balances border security, humanitarian responsibility, and economic stability; and

WHEREAS, H.R. 4393, known as the Dignidad (Dignity) Act, proposes a bipartisan framework that seeks to strengthen border security, modernize immigration processes, and provide structured, lawful pathways for long-term undocumented residents to live and work legally in the United States; and

WHEREAS, the Dignity Act establishes a temporary legal status program that includes background checks, employment requirements, restitution payments, and compliance with U.S. laws, while not granting automatic citizenship; and

WHEREAS, the Act proposes reforms to reduce longstanding visa backlogs, protect family unity, and improve efficiency in legal immigration and asylum processing; and

WHEREAS, the Act directs participant fees toward workforce development, apprenticeships, and job training programs that benefit U.S. workers and strengthen the national and local economy; and

WHEREAS, communities such as Avenal are directly impacted by federal immigration policy, and local governments have a vested interest in reforms that promote public safety, economic stability, and dignity for families and workers; and

WHEREAS, the City Council of the City of Avenal supports balanced federal immigration solutions that uphold the rule of law while recognizing the contributions of immigrant communities;

Spay Neuter Shelter-12

This month has been a great month for the shelter; we managed to rescue quite a lot of dogs and cats. Rescuers helped with rescuing larger dogs this month.

We are patrolling more. I want to use this opportunity to tell the residents we are trying to pick stray dogs that are running at large. For dog owners please assist us in maintaining your pets secure at home.

Owned pets that were running at large were high this month, we need to bring it down.

Rescues are still helping this month we are working hard to get these animals rescued and out of the shelter.

We still have money for spay and neuter if you need information, please call the shelter at 559-633-3115.

SUBJECT: PUBLIC HEARING FOR THE CLOSE-OUT OF THE 21-CDBG-HA-00010 HOMEBUYER ASSISTANCE and 21-CDBG-HA-00011 OWNER OCCUPIED REHABILITATION PROGRAMS

RECOMMENDATION

That Council accepts and approves the close-out report on the 2021-CDBG Homebuyer and Owner-Occupied Rehabilitation (21-CDBG-000010 and 21-CDBG-HA-00011) Programs.

BACKGROUND

The City was awarded $1,000,000 in CDBG funding in October 2022 in response to the 2021 CDBG NOFA application. Program clearance was received on November 14, 2022, to begin accepting applications and providing services.

The Homebuyer Program provided secondary financing for income-qualified households in purchasing a home. The program provided deferred, no-interest loans to Low-Moderate Income (LMI) clients for maximum assistance of $320,000 per household. Payments could be made anytime, but full loan repayment is not due until 30 years from date of loan approval.

Four participants received loans during the grant term. Loans were provided as follows:

Loan #	Amount	Description of Project
1	$64,139	Homebuyer Loan
2	$33,026.85	Homebuyer Loan
3	$62,000	Homebuyer Loan
4	$161,500	Homebuyer Loan
5	$52,650.61	Homebuyer Loan
6	$17,240.86	Homebuyer Loan
TOTAL	$390,557.32	

	Budget	Total Expenses	Disencumbered Funds
Total Admin (Homebuyer):	$35,000	$21,914.78	$13,585.22
Total Homebuyer Loans:	$465,000	$428,240.05*	$36,259.95
Total Award:	$500,000	$450,154.83	$49,845.17

*Includes activity delivery cost plus homebuyer loan

919 Skyline Blvd.
Avenal, CA 93204
Phone: (559) 386-5766
Fax: (559) 386-0629

The grant expired on October 17, 2025 - upon approval, the City's grant administrator Self-Help Enterprises will submit the final closeout documents to CA Department of Housing and Community Development (HCD). The City will disencumber the remaining funds of $49,845.17 (Remaining funds were committed to an applicant late in the grant term who then became ineligible for the program).

The Owner-Occupied Rehabilitation Program provided secondary financing for income-qualified households in purchasing a home. The program provided deferred, no-interest loans to Low-Moderate Income (LMI) clients for maximum assistance of $320,000 per household. Payments could be made anytime, but full loan repayment is not due until 30 years from date of loan approval.

Four participants received loans during the grant term. Loans were provided as follows:

Loan #	Amount	Description of Project
1	$84,050.70	Rehabilitation Loan
TOTAL	$84,050.70	

	Budget	Total Expenses	Disencumbered Funds
Total Admin (Rehabilitation):	$37,500	$19,922.51	$17,577.49
Total Rehabilitation Loans:	$462,500	$107,521.18*	$354,978.82
Total Award:	$500,000	$127,443.69	$372,556.31

*Includes activity delivery cost plus rehabilitation loan

The grant expired on November 16, 2025 - upon approval, the City's grant administrator Self-Help Enterprises will submit the final closeout documents to CA Department of Housing and Community Development (HCD). The City will disencumber the remaining funds of $372,556.31 (Remaining funds were committed to an applicant late in the grant term who then became ineligible for the program).

DISCUSSION
The 21-CDBG-HA-000010/21-CDBG-HA-000011 grant will be closed out with HCD.

RE: **Consider Amending the IT Manager/Communications Coordinator Job Description**

INFORMATION:

The IT Manager / Communications Coordinator position has been vacant since October 2025. During this period, staff intentionally delayed advertising the position while several operational items were finalized, including adjustments to work schedules to incorporate Avenal Police Department (APD) coverage, as well as the assignment of additional special projects that impact day-to-day IT support and communications functions.

Since that time, the City's IT Director has had the opportunity to further assess the City's operational needs, systems environment, and daily technical demands. Based on this assessment, staff determined that it is appropriate to clarify baseline technical qualifications for the position by requiring CompTIA A+ certification, either at the time of appointment or within six (6) months of hire.

This certification requirement is not intended to be burdensome, but rather to establish a consistent technical foundation for the work performed on a daily basis and to ensure competency in core IT support, troubleshooting, and systems management. The attached job description highlights this additional requirement. No other changes to duties, compensation, or classification are proposed.

RECOMMENDATION:

By Resolution, approve the minor update to the IT Manager / Communications Coordinator job description to include a CompTIA A+ certification requirement.

RE: **Consider Establishing One Additional Part-Time Employment within City Hall, Administrative Intern, to assist with the Avenal Speaks Community Climate Survey**

INFORMATION:

Staff is requesting flexibility to establish a **year-round Administrative Intern position** to support City Hall operations, special projects, and community engagement initiatives. Unlike prior summer-only internship programs, this position is intended to be as needed, part-time, and project-driven, allowing the City to recruit individuals interested in learning about local government while providing meaningful administrative support.

The intern position would be designed for individuals who are intellectually curious, motivated, and interested in public service, public administration, planning, communications, or related fields. This role is not intended to replace permanent staff, but rather to supplement capacity during peak workload periods and assist with discrete projects that are well-suited for short-term or developmental support.

Examples of potential assignments may include, but are not limited to:

- Assisting with coordination and outreach for the Avenal Speaks 2026 community survey, including data entry, tracking participation, and outreach support;
- Supporting records management efforts, such as scanning, indexing, and organizing historical or inactive documents;
- Assisting with community engagement efforts, including event preparation, flyer distribution, or survey tabulation;
- Providing administrative support for special projects across departments, including research, drafting summaries, or compiling materials;

This flexible internship model allows the City to respond to evolving operational needs while providing valuable exposure to local government functions for individuals considering careers in public service. The attached job description outlines the scope of work, qualifications, and general expectations for the position.

RECOMMENDATION:

Adopt the attached resolution approving the establishment of a flexible, year-round Administrative Intern position within City Hall and approve the associated job description.

FISCAL IMPACT:

The Administrative Intern position would be a **temporary, part-time, non-benefited position**, funded within existing personnel line item from the City Manager's budget subject to available appropriations. For the remainder of 2025/2026 budget, roughly six thousand dollars are available in the City Manager's Temporary Employees line item, this would allow a minimum wage part-time employee roughly 330 hours of labor time. Staff would not anticipate needing more than 150 hours this fiscal year.
